Dear Parents/Carer,

Re: KS3 progress reports

Firstly, I would like to say a big thank you to those who took the time to complete the survey regarding the KS3 progress reports. I am pleased to report that the overall results are very positive, with 91.7% of respondents finding their son/daughter's report informative and 95.8% of respondents agreeing it makes it clear where son/daughter is relative to expectations in each subject.

However, the survey found that 25.0% of parents/carers are still unclear on how they can help their son/daughter at home. Based on your feedback we will further review the feedback we provide in reports to make it even clearer how you can help your son/daughter at home. If you would like further advice on how you can help your son/daughter at home, please don't hesitate to contact your son/daughter's subject teacher.

As always thank you for your continued commitment to the school.

Kind Regards,

Mr Seghiri
